

Arena dos Mantos — Screen Breakdown

Project scope summary as of 2026-04-29 · Total: 17 user-facing + 4 admin = **21 screens**

Milestone 1 — Foundation and Onboarding (5 screens, built)

#	SCREEN	ROLE
1	Sign-in	Google and Apple buttons plus dev-login fallback (dashed box, dev only).
2	Verify Phone	E.164 phone input → SMS OTP (6 digits) via Twilio Verify or dev provider.
3	Verify CPF	CPF input with mod-11 validation, formatting mask and real-time feedback.
4	Home (Minhas camisas)	User's own listings, counter (x of 20), sign-out.
5	New Listing	Form: title, description, team, season, size, condition, price, image.

Milestone 1 Addition — LGPD compliance (1 screen + 1 page)

#	SCREEN	ROLE
6	LGPD consent modal	Privacy and data-processing consent on signup. Required by Play Store.
—	Privacy Policy webpage	External URL hosted on the web, not part of the app bundle.

Milestone 2 — Catalog and Registration (5 screens)

#	SCREEN	ROLE
7	Feed / Catalog	Public list of all jerseys (home tab).
8	Search / Filter	Twelve filters: scope, continent, country, supplier, model, type, size, condition, gender, price range, season, team.
9	Listing Detail	Photo gallery, full info, seller card, “Buy” button.

#	SCREEN	ROLE
10	Photo Upload	Camera and gallery picker → Cloudflare R2 upload (max 8, WebP).
11	Minha Primeira Camisa	Curated R\$149 entries shown inside the general catalog. Five-purchase limit per user, enforced server-side.

Milestone 3 — Community and Curation (3 screens)

#	SCREEN	ROLE
12	Listing Detail (extended)	Adds public comment thread plus report-comment modal (sellers only).
13	Rating Modal / Screen	Post-purchase: 4 criteria (buyer to seller) or 3 (seller to buyer). Final score is arithmetic mean.
14	Public Profile	Average rating, listings, rating history.

Milestone 4 — Payment and Logistics (3 screens)

#	SCREEN	ROLE
15	Checkout	Item price + automatic CEP-based shipping + coupon input + Pagar.me (card with installments, PIX, escrow).
16	Entrega em Maos modal	In-person delivery option with disclaimer (Arena dos Mantos not liable).
17	Order Tracking	Correios delivery status (auto-refresh) plus buyer confirmation button.

Admin Area — Web or in-app tab (4 screens)

#	SCREEN	ROLE
A1	MPC Inventory	Eduardo registers and manages R\$149 curated jerseys.
A2	Comment Reports	Triage and act on accumulated reports; suspend accounts when warranted.

#	SCREEN	ROLE
A3	Coupon Generator	Bulk-generate codes and view usage report per code.
A4	User Management	Suspend, restore, handle CPF verification issues.

Out of MVP Scope — Phase 2 / 3

- Store Profile page (lojista plan, Phase 2)
- Store color customization (Phase 3, after points system)
- Points / rewards screen (Phase 3)
- Community / forum, Reddit-style (Phase 3)

Status snapshot

Built so far — 5 of 21 screens (24%)
After Milestone 1 + LGPD — 6 of 21 screens (29%)
Remaining — 15 screens across Milestones 2 to 4 plus Admin area.
